INTERNSHIP EXPERIENCE

Front End Developer Intern | FutureIntern

May 2025 - June 2025

Remote

- Currently contributing to real-world web development projects, with a focus on building responsive and interactive user interfaces.
- Deepening expertise in front-end technologies through hands-on experience in live development environments.
- Enhancing skills in code optimization, browser compatibility and scalable front-end architecture.

PROJECTS

Responsive Travel Landing Page | Front-End Project

- Designed and developed a visually appealing, responsive landing page for a fictional travel agency using HTML, CSS and JavaScript.
- Applied responsive design principles to ensure seamless performance across devices, enhancing usability and accessibility. Gained practical experience in front-end development for marketing-oriented websites.

CERTIFICATIONS
